Executive Officer, Office of Logistics

STATINTL

SUBJECT

: CIA Seal for Executive Seminar Center,
Kings Point, Long Island

1. I have attached the original of a memorandum containing the approval of the Executive Director-Comptroller to release the Official Seal of CIA for permanent display at the Civil Service Commission's Executive Seminar Center, Kings Point, Long Island. The Seal is to be hung among forty others representing agencies and departments in Government.

2. Will you arrange to send the Seal to the Center in care of its Director, William King. CIA regularly sends employees to programs at the Center and from conversations I have had with some of them, I conclude that the regular Seal of about fifteen inches in diameter would be most appropriate for the "Agency Seals Room." If you wish to talk with any of these same individuals, I will gladly give you their names or if there is any additional information I can provide you, please call me on extension [redacted]

3. I would appreciate it very much if you would send me a copy of the transmittal memorandum for retention in OTR's file on the Executive Center.
